## *In memory of Louise*

It is with great sadness that we have to inform you of the sudden passing away of our dear friend and colleague, Louise Hutcheson.

Louise was, for many of you, your first contact with Aromantic as she answered your phone calls and returned your emails and queries, always with good humour and a smile. Her sister Jacqui, and her niece, Laura, also work here at Aromantic.

Louise's funeral was held on Tuesday 5<sup>th</sup> April, the day before what would have been her 40<sup>th</sup> birthday, and over 300 people, most wearing something purple at Louise's request, came to pay their respects to this remarkable woman. Her presence, her sense of humour and her radiant smile will be greatly missed.

On the day of Louise's 40<sup>th</sup> birthday, as the staff at Aromantic gathered together for morning coffee, a purple balloon blew up the lane and tapped on the window before disappearing from view. We all laughed, saying that it was our Louise stopping by to say hello. Imagine our surprise when another member of staff walked in and asked about the purple balloon that was wedged between a pallet that had just been delivered and the outside wall beneath the window! We brought in the balloon and it has now been given to Louise's big sister, Jacqui.

*Farewell, our lovely Louise - we will always remember you with love and laughter...and a few tears.*
